YEARS
OF TRUST

Total Water Management Company

with exclusive range of water purifiers & softeners

Choose a healthy lifestyle
for you & your family

UV Grande 2X UV+UF

Next-gen UV Technology paralyzes diseases causing bacteria & viruses
4 stages of water purification
Ultra-Filtration Module which removes microbes from water
LED Smart Indicator that indicates the health of water purifier and water quality

**UV Grande Plus
(UV + Active Silver Technology)**

Next-gen UV Technology paralyzes diseases causing bacteria & viruses
6 stages of water purification
Hexapure Technology purification ensures pure and safe water
ESS technology to protect tank water and prevents germ buildup 24x7

Kitchenmate UV

New Kitchenmate UV

Sleek and compact design enables easy placement under the sink
Smart performance during voltage fluctuations
High flow rate and instant purification of water
Long Reach Designer Faucet

Wave Plus RO

Works at low pressure, thereby lower fouling of membrane
High TDS remover
6 stages of water purification
Easy to operate & comes with 7 Litre storage tank capacity

Magna Plus RO+UV+UF

Equipped with RO, UV, & UF purification that offers triple protection
8 stages of water purification
Unique Minera Boost cartridge adds essential minerals that improves the taste of water
Membrane life Enhancer improves the efficiency of RO membrane, thereby maintaining the overall life of the product

**Eco RO
(High Recovery RO + Active Silver Technology)**

India's First water purifier that reduces water wastage by 80%
8 stages of water purification
HRR technology offers 3 times high pure water recovery
ESS technology prevents germ build up in the stored water 24x7

Kitchenmate RO+ESS

Kitchenmate RO+UF

Sleek design enables easy placement under the sink and saves precious space of your kitchen
Hydropneumatic tank with storage capacity of 8 liters provides pressurized water with high flow rate from the faucet
Detachable front cover equipped with magnetic latches to easily remove the front cover
Auto tank fill ensures that the RO purifier never runs out of pure & safe drinking water

Innovative technology which recovers 80% water during RO purification process which is compliant with national green tribunal guidelines

Patented technology which prevents germ built-up in storage water tank which also helps in auto tank sanitization

Intelto RO 25LPH + Active Silver Technology

High TDS Remover removes excess salts, bacteria, viruses, pesticides, harmful chemicals, and heavy metals from water
 Large capacity RO purifier with flow rate of 25 Litre per hour
 Smart digital monitor to display cartridge life along with a cartridge alarm

Eco Smart RO 50LPH

3 times higher pure water recovery with HRR technology
 Smart visual alert for monitoring TDS level of output water
 ESS technology prevents germ build-up in the stored water 24x7
 Ideal for mall, multiplexes, restaurants etc.

Skid RO 25LPH/50LPH

TDS & heavy metal remover removes excess salts, bacteria, viruses, pesticides, harmful chemicals & heavy metals from water
 Equipped with enhanced high flow membrane
 Auto flush timer enhances membrane life by automatically cleaning at regular intervals
 Ideal for large families, offices & institutes.

Ignite Hot & Normal RO/UF+UV

India's first Portable Hot & Normal water purifier
 No tap water connection required
 Instant RO/UF+UV purified hot water at your finger tips
 Elegant touch panel with multiple temperature & dispensing volume options
 Child lock safety feature

Suraksha Pluspro

Rakshak Iron Remover

Non-electric gravity based purifier required no electricity or boiling
 Suraksha Pluspro with its resin technology provides 3000 Liters of bacteria & virus free drinking water
 Rakshak Iron remover uses reusable, easy to use sponge filter capsule
 Rakshak has auto shut-off germicidal cartridge with exhaust indicator

Suraksha Vegetable Cleaner

Tap attachment with resin technology kills bacteria and viruses that cause water-borne diseases
 Produces 7500 litres of safe, bacteria-free drinking water
 In-built indicator used to indicate when the unit life is over
 Free adapter inside to fit any tap size

Point Of Use Water Softener

**BATHROOM
SOFTENERS**

Mini Soft Bathroom Softener

- Easy to fit, sleek wall mount design
- Suitable for appliances like washing machine and dishwasher
- Reduces hair loss and skin ailments
- Retains fabric colour and feel

Auto Sand Filter

- Helps reducing turbidity & removal of suspended solids
- Enhances performances of softeners and larger RO systems
- Programmed backwashing requires no user interface
- Prolongs the life of the filtration media

Autosoft-1

**APARTMENT
SOFTENERS**

Autosoft-2

- Prevents hair and skin damage
- Prevents damage of bathroom fitting and appliances
- Saves soap and shampoo
- Retains fabric's color & feel

Auto Iron Remover

- Automatic backwashing ensures consistent water quality
- Automatic water filter with enhanced performance, user friendliness and quality assurance
- Saves water compared to conventional media
- No user interface

Auto Carbon Filter

- Delivers clear water from chlorinated water
- Removes chemicals and organic compounds like chlorine, pesticides and other Volatile Organic Compounds
- Enhances performance of softeners & larger RO
- Automatic backwashing ensures consistent water quality

Autosoft-3 & 6

**LARGE CAPACITY
AUTO SOFTENERS**

Autosoft-8

- High capacity automatic water softener suitable for entire home
- Prevents hair and skin damage
- Prevents damage of bathroom fitting and appliances
- Saves soap and shampoo
- Retains fabric's color & feel
- Maintains heating efficiency of water heater

D-FERROUS Iron Remover

- Removes foul metallic taste from water
- Keeps skin soft, glowing and healthy
- Saves consumption of cooking gas
- Pre-treatment for domestic RO water purifier upto 25 LPH

- 11 Plates
- In-Built RO
- 5 different types of water
- Palatable hydrogen water
- Auto electrode cleaning
- Unified service offering

HEALTH BENEFITS

LIFESTYLE DISEASES CONTROLS

Type 2 Diabetes
Obesity & Body Weight
Hypertension

DIGESTIVE HEALTH RELIEVES

Acid Reflux Disease
Irritable Bowel Syndrome
General Acidity

SKIN DEFENSE TREATS

Eczema Skin infections-
Psoriasis Skin disease
related to – Diabetes

PHYSICAL FITNESS IMPROVES

Overall Energy Levels
Hydration in athletes
Muscle Fatigue after
acute exercise

BEAUTY CARE ANTI

Wrinkle Formation
Allergies (Rash, Acne)
Ageing (Increase
Longevity)

GENERAL WELLNESS USED FOR

Reducing effects of
Radiation Regaining
muscle strength in old
people Rheumatoid
Arthritis
